Experience

**LIFE AND HEALTH INSURANCE SALES, THE ASSURANCE GROUP;
GREENVILLE, SC – 2015-2017**

I worked with clients evaluating their insurance needs, and providing solutions for them.

LEAD ASSEMBLY TECH, AUTOMATION ENGINEERING; GREENVILLE, SC – 2012-2015

I oversaw the assembly and installation of automated equipment. Our main clientele was the piping industry in Houston Tx. When the oil prices dropped they stopped producing as much pipe so our business slowed down.

**BUSINESS ACCOUNT EXECUTIVE, CHARTER BUSINESS COMMUNICATIONS;
GREENVILLE, SC – 2010-2012**

I called on clients (small businesses) in the Greenville, Anderson and Spartanburg markets, and provided communications solutions in the for of telephone and internet through Charter's services.

LIFE AND HEALTH INSURANCE SALES, RBC INSURANCE; GREENVILLE, SC – 2008-2010

I worked with clients evaluating their insurance needs, and providing solutions for them.

Education

New Mexico State University

Skills

I recently graduated from The Iron Yard's Front End Engineering program. This was a very intense immersive program where I learned HTML, CSS, JavaScript, and React. This was one of the hardest things I have ever accomplished in my life and now I want to put these new skills to work in the software development field
